Date: Monday, February 06, 2012 9:52:36 PM

Logan,

Thanks so much for taking your time to come to my class and sharing your expertise with us! It helps a lot, especially at this stage when the students start to work on the literature review search. I'm sure the students will contact you individually as they move on. I appreciate your willingness to work with them closely!

Have a wonderful semester!

Jie
