Dear APT Committee Members:

Logan Rath has my full support for his renewal application for the position of Senior Assistant Librarian at Drake Memorial Library. We have worked closely together since he joined the library staff in 2008. Personally and professionally, I find him to be collegial, creative, innovative and energetic! Logan knows how to turn good ideas into effective action plans.

During the Fall 2011 semester, Logan took on two significant challenges, as he transitioned to Resource Sharing Librarian, and Supervisor/Trainer for the library information desk student employees. As head of the library serials department, I value the cooperation between his department and mine, and Logan's ideas for process improvement and cross-training among our support staff. While working the information desk, I have seen the results of Logan's training program. Our student employees are engaged, professional, hard-working and customer-focused. Through Logan's skillful delegation, they are also learning new tasks, becoming more knowledgeable library users and employees.

Thank you for your consideration of Logan's renewal application. Please do not hesitate to call on me for any further assistance.

Sincerely,

Susan M. Perry
Associate Librarian
