LIBRARY APT COMMITTEE'S REVIEW AND COMMENTARY

Logan has only been at Drake since April but has already proven to be an effective addition to our ranks. He is redesigning the library Web page and added the library's print holdings to Serials Solutions, something many of us had wanted completed for a number of years. He presented a poster at the 2008 COCID conference and will be SUNYLA's President Elect for the up coming year.

DEPARTMENT CHAIRPERSON'S/DIRECTOR'S REVIEW AND COMMENTARY

Logan started as Digital Services Librarian in Drake Library since 4/22/08. His talents will be especially valuable in updating the library website, exploring Web 2.0 services and assisting with mobile applications. He will also be assuming responsibility for maintenance and support of EZProxy software. He has been off to a good start and made several positive suggestions. He has started serving at the Reference Desk and also will be teaching library instruction sessions.

Regarding scholarship, Logan presented at the SUNYLA conference in Plattsburgh this June and will be serving as President Elect in the coming year. He attended CIT at Genesee Community College and the SUNY Technology Conference in Rochester.

Logan is expected to assist with offering training for new technologies. He brings new energy and fresh enthusiasm that along, with good listening skills, will certainly be beneficial to our students, faculty and staff. All librarians and staff are asked to work toward a smooth transition as new instructional spaces and offices are moved to the ground floor of Drake. Logan is especially thanked for his flexibility as new offices are readied for occupancy.
