Another thanks to Logan for taking this on, since John Daly first emailed me while I was out of the office. I am very grateful that he was able to accommodate this class into his schedule.

Thanks Logan!

Jennifer

Logan,

THANK YOU SO MUCH! I never would have thought of taking them through those steps and that was just what the students wanted to know. Thanks also for the offers of individual help (and the plugs for the history department).

It has been a long time since I have taught HST 390 and this was a whole other level of library help.

John
