Dear Logan:

I am so glad Steve recommended you as Parliamentarian. It was an unprecedented year and I greatly appreciated your contributions to the College Senate and to my own efforts. Time and again I turned to you for advice and time and again you generously gave of your time and knowledge. Thanks so much for all your hard work.

Best wishes for continued success and many rewarding experiences in the years to come. It has been my pleasure to work with you. See you in the EC.

Sincerely,
